Significant Activity for the month of March, 2026

Live Screening of PM KISAN 22nd Instalment

RASS Krishi Vigyan Kendra, Tirupati has organized live telecast of the 22nd instalment release of the Pradhan Mantri Kisan Samman Nidhi (PM-KISAN) scheme and the address by Honourable Prime Minister Shri Narendra Modi from Guwahati district, Assam on 13.03.2026. This live screening for farmers was held at the RASS Seva Nilayam, Tirupati and RASS Balaji Bala Vikas office in Karakambadi.

During the program, following the live broadcast of Honourable Prime Minister Shri Narendra Modi's speech, KVK scientists explained various welfare programs being implemented by the Central Government for farmer welfare and the initiatives undertaken by the Krishi Vigyan Kendra to increase the income of district farmers. Speaking about the Prime Minister's address, they noted that today, investment support under PM-KISAN amounting to Rs. 18,640 crores were transferred directly into the accounts of over 9.2 crore farmers across the country. As part of this, approximately Rs. 28.72 crores were transferred to over 1.43 lakh farmers in Tirupati district. They urged farmers to utilize this financial assistance for their agricultural needs.

In the subsequent discussion between scientists and farmers, KVK scientists Dr.S. Sreenivasulu, Senior Scientist and Head, Sri Sudhakar, Divya, Ramu Kumar, Anusha, and Anil provided awareness on management practices for various food and horticultural crops under cultivation. They discussed soil test-based fertilizer application, integrated pest management, the objectives of the Digital Agriculture Mission, the importance and benefits of Farmer Registration IDs, Bharat Vistar, Farmer Producer Organizations (FPOs), and management practices in livestock.

Senior Scientist and Head, Dr. S. Sreenivasulu, KVK scientists Sudhakar, Divya, Ramu Kumar, Anusha, Anil, KVK staff, RASS Balaji Bala Vikas staff, and 157 farmers from Renigunta and Narayanavanam mandals participated in this program.
