Natural Farming Summit by Hon'ble PM***

RASS-Krishi Vigyan Kendra, Tirupati has organised Live Telecast of release of PM KISAN 21<sup>st</sup> instalment funds and Inauguration of South India Natural Farming Summit by Hon'ble Prime Minister Sri Narendra Modi from Coimbatore, Tamil Nadu for which Smt. M. Sugunamma, Hon'ble Chair Person, Greenery and Beautification, Govt. of Andhra Pradesh has attended as Chief Guest and more than 310 farmers and Agriculture Students participated in the event held at KVK on 19.11.2025.

After Live telecast of PM KISAN funds release and Hon'ble Prime Ministers Address, Dr.S. Sreenivasulu said that 18,000 crore rupees was transferred to 9 crore farmers under 21<sup>st</sup> instalment and so far, approximately 3,90,000 crore rupees have been deposited into farmers' accounts under the PM-KISAN. He also stated that in this 21st instalment, 26.69 crore rupees were credited to 1,33,449 farmers in Tirupati district, and 33.58 crore rupees were credited to 1,67,900 farmers in Chittoor district. He also reiterated PM Modi's call for farmers to reduce the use of chemical fertilizers and produce chemical-free food through natural farming.

Programmes Chief Guest Smt. Sugunamma in her Address, highlighted that the Central and State governments are depositing Rs. 20,000 per year directly into farmers' bank accounts for agricultural purpose through the PM-KISAN and Annadata Sukhibhava schemes to ensure farmer welfare. She praised RASS KVK for implementing various initiatives to increase farmers' income, such as High yielding varieties, farm mechanization, natural farming, and integrated farming systems. She advised farmers to follow the suggestions given by KVK scientists to achieve good farm income.

Later KVK Scientists Sri Sudhakar, Dr.V. Divya, Ramu Kumar, Anusha, Divya Sudha explained about Management practices in Rabi crops, Soil Test Based Fertilizer Application, Natural Farming, Farmer Producer Organizations, Value Addition and Management of Livestock etc. during farmer Scientist Interaction. At last, the chief guest and dignitaries supplied Visishta Variety of Groundnut seed, Seed treatment chemical, Chilli seedlings and grafted brinjal seedlings to farmers for conducting demonstrations.
